Around Town

BY THE TOWNSMAN

EVERYBODY THERE

"There couldn't be this many people in Upland," was the comment frequently heard at the premiere opening of the Grove theatre Wednesday night.

And there certainly was justification for the remark. People seemed to just sprout up as if from nowhere and the lines waiting to get into the theatre seemed to be almost eternal.

It was a big night for everybody concerned, particularly for Ben Adams, the local manager, who did look quite "ducky" in his "soup and fish". The same remark could be made for Ellery Wright and E. Tweed Stone. It's a big surprise that with all the Hollywood producers and directors here, none of them have received a movie offer yet.

THEIR HERO

The biggest thrill for the kids who were in front of the theatre waiting the arrival of the stars was when Roddy McDowell suddenly emerged from the car. You could hear the exclamation of "There's Roddy McDowell!" and then all you could see was kids rushing all over him holding out their books to be autographed.

NICE JOB

Lot of people expressed satisfaction with the manner in which Henry Patton handled the microphone in front of the theatre. Henry, who is a Chaffey journalism student, had good reason to volunteer his services for the theatre opening, the proceeds of which went to the Raymond Davis building fund. He happened to have spent most of the war as a prisoner of the Japs on Bataan.

BIG HIT

The comments that night and the following morning were all enthusiastic about the Grove theatre. Everybody was unanimous in agreeing that it was a great addition to the community and would aid materially in its growth of the community. One thing we do know, it certainly brightens up Ninth street.

LIGHTS OUT

As long as Marvin Francisco works for the city, there will always be some kind of a light at the city hall. Yesterday the bulb in the supply room went out and Marv didn't waste any time worrying about it. He just went out and got a red lantern usually used on the street and placed it on one of the files. And then there was light.

HUMAN COMEDY

It was quite a council meeting last night as far as the personal angle went. Councilman Paul Hottel was so hoarse he could barely whisper and between "squeeks" and cough drops he managed to give a few expressions of opinion.

But credit for the pun of the evening went to Council James Goodban. When Mr. Hottel tried to talk and his voice completely fizzled out, Jim commented, "It must be Meek." (But it wasn't. It was still Hottel).

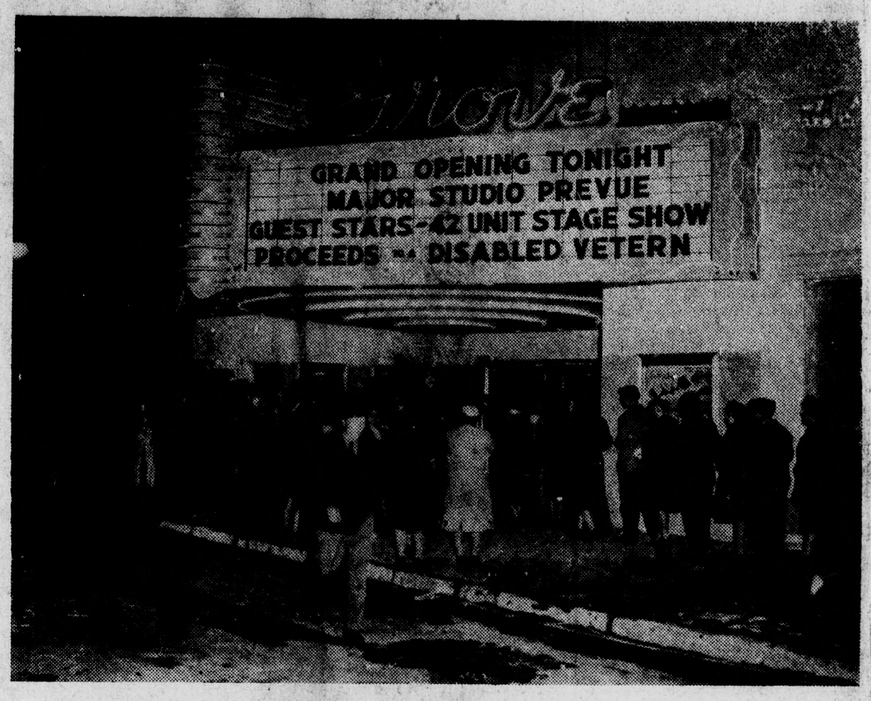

MORE COMEDY

Still talking about Councilman Hottel's ailing voice, we didn't think it would be catching but apparently it was.

While Henry busch, Upland (or is it Ontario) city attorney, was giving one of his opinions, suddenly his voice went bad. Rising to the occasion, Councilman Hottel immediately threw his box of cough drops over to him, with the comment that he was selling them two for a nickle.

Outside of these few interruptions, however, the council did complete some important items of business. No foolin'.

FIRST OF THE CROWD TO ENTER GROVE THEATRE

This picture was snapped by The Upland News photographer just as the first of a large crowd began to enter the Grove theatre Wednesday night to see the world premier of the movie, "Boomrang" and the stage show, "At Ease", featuring 42 radio and screen stars. An estimated 5,000 people witnessed the arrival of stars and celebrities in front of the theatre.

Movie Stars, Floodlights Combine To Make Grove Opening Colorful

All the "glamour of Hollywood", including floodlights, microphones and movie stars, combined with more than 5,000 people Wednesday to make the opening of the Grove theatre one of the outstanding events of Upland's history.

With the theatre more than sold out for the first show, record crowds began forming early and by 6:30 extended all the way across Second avenue.

Feature of the evening's program was the world premiere of a picture, which proved to be "Boomerang", starring Dana Andrews and Jane Wyatt, and the personal appearance of movie stars which included Tim Holt, Jane Greer, Roddy McDowell, Dick Long, Allan Hale, Jr., Eddie Ryan, Jr., Virginia McDowell, Bobby Jordon and host of lesser lights. Neither Jane Withers, Walter Brennan or Regis Toomey, originally scheduled to be present, were able to come.

Wait for Stars

With thousands of people gathered around the theatre waiting to see the movie stars or hoping by some possibility to get a seat for the first show, Henry Patton, Chaffey journalism student, introduced special guests and the movie stars as they drove in front of the theatre. Highlight of the evening was the appearance of Mr. and Mrs. Raymond J. Davis, both of whom spoke on the microphone which carried their voices to the thousands of people there and over the air on station KOCS, which was covering the premiere.

"I am very proud and gratified to find out that this has turned out so well, and that my city has given me such a hearty welcome," Mr. Davis said. "But remember that there are a lot more like me," he added.

Mr. Davis, who was wounded in Europe during the recent conflict, was the only Upland veteran to return completely disabled.

Mob Him

The arrival of Roddy McDowell, who with Dick Long and his sister, Virginia, was the first to

(Continued on page Three)

At 3 o'clock this afternoon Ben Adams, manager of the Grove and Upland theatres, turned over to Frank Nichols, chairman of the Raymond J. Davis Building, $1,650, the proceeds from the premier opening of the Grove theatre.

School Names Safety Patrol

Members for a new safety patrol committee to serve for the following nine weeks were elected this morning in the home rooms at the Upland Elementary school.

The group chosen will be in charge of student traffic at the school and will be responsible for smooth traffic operation.

The members are Eleanor Cook, Muriel Thompson, Maryon Johnson, Robert Heer, Edmund Bonillas, Dick Loch, Jane Naisbitt, Betty Rallsburger, Mary Jean Moore, Sylvia Colbrunn, Rudy Valadez, Kenneth Carter, Marilyn Mueller, Mary Young, Jack Thomas, Freda Wimberly, Richard Naisbitt, Eva Okamoto, Ralph Luna, Bob Graham, Pat Burton and Florence Young.

Art Group to Meet Monday

Henry Lee McFee, member of the Scripps college art faculty, will speak at the meeting of the Chaffey Community Art association on Monday.

This first meeting of the new year for the association will be held in the Chaffey memorial library, 8 p.m., under the president, Mrs. Philip B. White.

According to an announcement made to members, they may bring guests to the meeting. Past members of the association are also being invited and a reception is to follow the meeting.

Mr. McFee, who has entered paintings in previous exhibits sponsored by the association, will speak on the subject "Three Painters."

The tentative dates of future meetings are March 17, April 21 and May 12. The seventh annual purchase prize exhibit will be held October 18-26, and will be preceded by an earlier meeting to announce plans.

Since February is the beginning of the association's year, under a recent constitution change, members are being asked to renew their memberships at this time.

Marriage Theme Of Fiesta

Tonight at 8 o'clock the curtain will go up on the second annual Fiesta being sponsored by the Mexican-American Movement.

The Fiesta, theme of which is a wedding celebration in a typical Mexican home, will include dancers, singers, musical and vocal groups.

Professional talent will take the lead parts in the presentation: Mauricio Jara, singer at Padua Hills; Mary Sosa, Padua ingenue; Carlos Licon, performer at Padua and dancer in the Walt Disney production, "Three Caballeros," and Carol Gutierrez, young singer who has also appeared at Padua.

All performers in the Fiesta are donating their time and services as are the directors and organizers. Proceeds from last year's Fiesta provided two scholarships for Mexican-American students and five special awards, and proceeds from this year's presentation will be used for the same purpose.

Tickets are still on sale and may be obtained at the door.

City To Hire Recreation Director For City Park

The position of a full-time recreational director who would not only be in charge of the sports and recreational program for the city but also supervise the maintenance of the city park was established by the Upland city council last night.

Acting upon the recommendation of Councilman John Meek, chairman of the park commission, the council agreed that with plans nearly completed to raise $25,000 for the development of the park into a sports and recreational center, the employment of a director was essential.

The motion as made by Mr. Meek instructed the city manager to begin now looking for a man who not only had a physical education background but teaching experience as well to fill the newly-created post.

It was pointed out that the cost of a full-time recreation director could be partly met by the elimination of the summer recreation program at the Upland Elementary school. This is expected to provide about $1,800, with additional money coming from the soft drink and ice cream concession that would be operated by the city at the park.

Also brought out by Mayor Eugene G. Nisbet was the fact that the man who filled the recreational post would also handle the teenage program for the city. The job would also call for handling equipment such as basketballs, volleyballs, softballs which the city would probably provide.

Deal To Go Into Escrow Immediately

Early acquisition of the American Legion property directly north of the city hall was assured last night when the Upland city council voted to purchase the clubhouse for the $10,000 asked for by the veterans.

In moving for the immediate purchase of the clubhouse, however, Councilman James Goodban added that it was being done "under protest" because he felt that the price asked by the Legion was too high.

"But there's no question about it, we need the property," he commented.

Representing the Upland post at the meeting were Edgar C. Pierce, Legion adjutant and service officer, and E. E. Carter, past commander.

Go Into Escrow

Mayor Eugene G. Nisbet told the Legionnaires the city wanted to go into escrow at once and Mr. Pierce agreed that this would be in agreement with the Legion's wishes.

Negotiations for the purchase of the Legion clubhouse have been going on intermitantly for more than a year between the Legion and the city. A tentative agreement reached earlier was for the city to pay $8,000, plus a building site on which the Legion could build another clubhouse. But since then the veterans have secured land at Grove and Arrow highway and have already put up

(Continued on page Six)

Mt. Baldy League Formed

The Mt. Baldy league became the youngest organization in the C.I.F. Wednesday night when representatives of Junior High schools met at the home of Fred Cutler in Upland to organize the league.

Named as president of the new league was C. W. Chance, of Fremont, while Ernest J. Camfield, vice-principal of the Upland Junior High, was elected secretary.

The name, Mt. Baldy, was adopted upon the suggestion of Harold W. Cook, Upland district superintendent.

The new organization, which includes Upland, Fremont, Emerson, Webb and Junior Republic Junior High schools, will embrace football, basketball, baseball, softball and tennis. The first event of the league will be a track meet, at a place yet to be determined April 17.

It was agreed by members that Webb and Junior Republic would use only their "B" teams in C.I.F. competition.

Those attending the meeting from Upland in addition to Mr. Cook and Mr. Camfield included Clyde Frisholz, football and track coach and Ed Dean, basketball coach.

Court of Honor To Be Held

Scouts have their day and their week, beginning Saturday.

Always the big event of the year for Scouts is the court of honor and the Chaffey Civic auditorium will be the scene at 7:30 p.m. Saturday for this impressive ceremony. More than 2,000 Scouts and Scout workers are expected to be present.

Appearing at the court of honor for the first time will be the new Upland Sea Scout ship and this group will have charge of the opening ceremonies. At least 15 boys will be given Eagle Scout awards and 800 other boys will receive awards indicative of their advancement in scouting.

Musical selections will feature the entertainment phase of the program.

Homer Mead, president of the Old Baldy council of Boy Scouts, will open the program and the awards will be made by Dr. Earl Thompson of Claremont.

All the troops in Upland, Alta Loma, Cucamonga and Etiwanda are scheduled to participate in the program.

Negro Singer Gives Program at Chaffey

Robert Belton, Negro singer, was presented in an assembly this morning to students at Chaffey High school.

During the program which featured Negro spirituals, Mr. Belton gave dialect readings. His accompanist also performed in a solo piano arrangement of "Mighty Like a Rose." Arrangements for the assembly were made by the Lincoln club and the singer was introduced by the club's president, Miss Patricia Lovett.

Court Names Thompson As Georgia's Governor

Stassen, Taft Clash Sharply On Labor Ideas

WASHINGTON, Feb. 7 (AP)—Two leading Republican presidential possibilities for 1948 collided sharply today on labor legislation.

Harold E. Stassen, an announced candidate for the top GOP nomination, went before the Senate Labor committee and proposed a secret majority vote of workers as the last step before a strike.

Committee Chairman Taft (R-Ohio) whose name has been linked with presidential talk, called Stassen's suggestion "trivial," and a lively exchange followed.

Stassen told Taft "If you believe in the democracy of workers, you must have confidence" in a secret ballot.

Taft argued that in such a vote the workers "do not go against their leaders."

Senator Ball (R-Minn), who was appointed to the Senate by Stassen when the latter was Governor of Minnesota in 1940, criticized Stassen's proposal on the ground that a majority vote requirement would be too drastic.

Stassen countered "It would be too drastic" if Ball's legislation to outlaw the closed shop were enacted. By this he apparently meant that in an open shop, a smaller vote for a strike would suffice.

Stassen opposed Ball's bill to outlaw the closed shop and its modifications saying it would restrict the freedom of contract.

Stassen and Ball also differed over another proposal by Ball—to prohibit industry-wide bargaining.

Rain Saves Florida Citrus

WINTER HAVEN, Fla., Feb. 7 (AP)—Heavy rainfall over Florida's central citrus belt this morning was estimated by citrus men to have reduced by 50 to 75 per cent the potential damage from Thursday morning's sharp temperature drop.

Reports on the extent of the damage were conflicting and no responsible citrus man was yet willing to estimate the total. A grove-by-grove check was regarded as necessary.

In any case, it was said, the rain would keep the mercury from a rapid rise which would have caused fermentation and freeze rot.

Chairman Rollie Tillman of the citrus commission was expected today to decide whether to call a hearing on possible embargo on shipment of fruit from the state for up to seven days.

In South Florida, the weather had moderated today, and farmers who suffered crop losses estimated to run into millions of dollars in the cold wave, made plans to replant immediately.

Britain Faces Fuel Crisis

LONDON, Feb. 7 (AP)—Fuel Minister Emmanuel Shinwell said today Britain's overstrained electric power system would break down early next week because of an acute fuel shortage aggravated by bitter winter weather.

He told the House of Commons the result would be that, beginning Monday, no electricity would be supplied to any industrial consumer in London and southeastern area, or in the industrial midlands and the northwestern districts. The electricity supply to domestic consumers will be cut off from 9 a.m. to noon and from 2 p.m. to 4 p.m. daily, he announced.

More Pictures of Grove Opening on Page 3; Also Special Sports

Several special features are included in today's edition of The Upland News.

In addition to the two pictures on page 1, there are four others on page 3 of the Grove opening Wednesday night taken by The News photographer. Also included on page 3 is a review of both the movie, "Boomrang" and the variety stage show, "At Ease,' as well as many other stories.

Another special feature today is the personal story of Karl Kaiser, basketball coach of the Chaffey Tigers and considered one of the outstanding hoop men in Southern California. You'll find this and as always many other local sports stories on page 5.

These are only a few of the increasing stories and features found in The Upland News every Monday, Wednesday and Friday in order to give its readers complete coverage of the local news and carefully selected stories of state, national and international events.

New Election in Japan Called

TOKYO, Feb. 7 (AP)—General MacArthur took indirect note today of the increasingly insistent and widespread opposition to the Conservative government of Premiere Shigeru Yoshida and ordered another general election for Japan.

The supreme commander's edict was delivered to Yoshida in a politely couched letter expressing the belief that "the time has come for another election" to "once more advance the process of democracy which now governs the state."

However, tnere was no doubt that the "belief" carried the full weight of the supreme commander's orders.

Talmadge Clan Appeal to Supreme Court

McDONOUGH, Ga., Feb. 7. (AP) Superior Judge Claude H. Porter today ruled Lieut. Gov. M. E. Thompson is Georgia's acting governor and that Herman Talmadge's election by the legislature was invalid.

The decision, handed down at Rome, Ga., ordered the state pardon and parole board to turn over records on budgetary matters to Thompson. An appeal to the Georgia Supreme court was announced quickly.

Meanwhile, in another State court here, counsel for Herman Talmadge lost today a motion to avoid trial of a suit challenging his election as governor of the Georgia legislature.

Superior Judge Walter Hendrix withheld an immediate ruling on demurrers but ordered trial of the showdown litigation on the muddled gubernatorial situation which is headed for the Supreme court.

Commission Takes Graziano's License

NEW YORK, Feb. 7. (AP)—The State Athletic commission today revoked the boxing license of Rocky Graziano and ordered his forthcoming title bout with Champion Tony Zale cancelled for his failure to report a $100,000 bribe offer.

Commission Chairman Edward Eagan read the decision—tantamount to barring Graziano for life from boxing in New York rings—to Graziano at the conclusion of a three-day hearing.

"The commission finds from the evidence and from your own admission that on three separate occasions, with suggestions or requests to engage in a sham or collusive contests, you never reported these requests or suggestions to this commission."

MRS. ALLEE RECEIVES YEAR'S PASS

One of the "big events" of the proceedings inside of the theatre was the presentation of a year's pass to Mrs. Steve D. Allee, who gave the new theatre its name of "Grove". Ben Adams, manager, is shown here giving Mrs. Allee, whose name was selected over more than 300 entries, the theatre pass.

The Upland News Photo

Appoint Committee To Study Renaming Streets

Suggestions Sought From All Residents

L. R. Bradley said today suggestions are wanted for changes in street names in Upland.

As a member of the city planning commission Mr. Bradley was asked to serve as chairman of a special committee on selection of new names for local streets.

"New names and new numbers are needed very much," Mr. Bradley said. "I would like to hear from people who have any suggestions as to a system of naming or numbering."

For many, many months the need for new street names has been pointed out by The Upland News and by civic leaders. Visitors and newcomers here have also made observations about the street naming "muddle" they find here.

Mr. Bradley said the situation had been called to the attention of the planning commission and that his committee was delegated to make suggestions and recommendations.

"While there is no special time limit as to when a recommendation is to be made, I think changes ought to be made as soon as possible," Mr. Bradley said, adding: "We surely need a better system."

Mr. Bradley did not make any detailed reference concerning the present system but he indicated the inconsistency that exists at present. For example, the 200-block is immediately north of Ninth street and the 800-block is immediately north of Eleventh street.

J. Emery Sargent, who recently retired as secretary of the Upland chamber of commerce, in his final report to the chamber directors urged that action be taken to get the street naming-house numbering situation cleared up. As the result of this comment and other expressions, the planning commission was requested to act on the matter.

'EX-ARMY NURSES BUY A HOSPITAL'

Veterans Administration Photo.

These two ex-Army nurses recently bought a hospital at Seguin, Texas, and are obviously happy about the whole thing. The neat 21-bed stucco structure is pictured at the top. Nurses Dorothea Siepmann (left) and Sarah Hazard said the hospital, purchased with the aid of an RFC and Veterans Administration guaranteed loan, was the realization of a life-long ambition. Surgical work is handled by doctors in the small Texas community. During the war Miss Siepmann served in England and Miss Hazard in China.

Upland March of Dimes Totals $584.30; Lot More Expected

Collections for the March of Dimes, undertaken this year by the Upland Business and Professional Women's club, is expected to exceed last year's collections, according to Orton P. Brady, general director.

Incomplete tabulations of money collected totaled $584.30, as compared to last year's complete total of $605.17.

Money collected at the housing projects, Los Olivos and Parkside, and at Alta Loma and Cucamonga, has not yet been turned in.

Upland schools turned in a total of $168.61, with the Upland Junior high collecting the highest amount, $77.10. The Elementary school turned in $71.60. Harold W. Cook, superintendent of Upland schools, headed the drive in the schools.

Collections in stores in the business district and from the packing houses amounted to $205.94. Camp Baldy school donated $12.10.

Service organizations, individuals and anonymous givers donated to make the present total of $584.30.

The B. P. W. C.; committee aiding in the drive consisted of Mrs. Francis Rogers, Mrs. Harry Plum and Miss Margaret Yancey.

Men's Fellowship to Hold Annual Dinner In Methodist Church

Annual winter dinner of the Chaffey Christian Men's Fellowship is scheduled for Thursday evening, February 27, at the First Methodist church, Upland, according to Roy A. Bates, president of the fellowship.

Dr. Louis H. Evans, pastor of the First Presbyterian church of Hollywood, has been announced as the speaker. Eldon F. Bert, Brethren in Christ church, is chairman of the committee to plan the dinner.

Seminar Dates At Hospital Announced

Titles of the seminars to be conducted by George C. Griffith, famous heart specialist, and the dates on which the seminars will be held were announced today. The seminars will be held in the solarium of the San Antonio Community hospital with doctors in San Bernardino and Riverside counties invited to attend.

Program for the seminars follows:

Februaury 11: "Congenital Heart Diseases" with slides and "Electrocardiographic Studies" with movies.

February 25: "Etiology and Pathology of Rheumatic Fever," and "Treatment of Rheumatic Fever."

March 4: "Syphlitic Heart Disease," and "X-Ray Studies of the Heart."

March 11: "Hypertension," and "Coronary Artery Disease."

March 25: "Heart Failure and Its Treatment."

April 8: "Treatment of Arterial and Venous Diseases."

Show Interest In Contest

Much interest is being shown in the contest to select a queen who will represent Alta Loma at the National Orange show. The contest opens tomorrow.

George M. Smith of the Alta Loma Community Club show committee is in charge of the contest. All contestants must have been residents of the Alta Loma school district for at least six months and are to be between the ages of 15 and 25.

Votes in blocks of 25 will be on sale by the Alta Loma merchants. Ticket stubs worth 10 cents entitle the purchaser to 25 votes for his or her favorite candidate.

Leo Martin Enters Tire Business Here

Leo Martin today announced he had opened his own tire business for sales and recapping. He is located at present at 1888 West Ninth street.

For 28 years Mr. Martin has been active in the automotive business, principally in Ontario and Pomona. He recently sold out his interest in a tire business in Ontario to enter business for himself.

Name Jacobs Officer In Magistrate's Group

Judge Fred H. Jacobs, Upland, became secretary-treasurer of the San Bernardino county magistrates association at a meeting last week. Judge George D. Imhoff, Ontario, was named vice-president.

The meeting was held in conjunction with the county Constables association at the Mentone Women's club, with Harry W. Waddell, San Bernardino, as speaker. During the election, Roy E. Berridge, Fontana, was named president of the magistrates.

Barker.

Attending from Upland were Judge Jacobs and Constable Sam Basker.

22 Named on Honor Roll

Twenty-two at the Upland Junior High School have been accepted as members of the California Scholastic federation "Honor Roll," it was announced today by Ernest J. Camfield, vice-principal.

Those named included Flora Ammannito, Joan Andreas, Pat Burton, Jim Cooley, Georgina Cunning, Beverly De Forest, Rudolph Guzman, Byrna Mae Horsch, Ramona Johnson, Winona Jordan, Arlene Kime, Dorothy Little, Rosalie Mandala, Marian McLellan, Nancy Nicholson, Eva Okamota, Charlene Owen, Bennie Paschall, Charlene Riggs, Alex Rivera, Lois Sarina and Florence Young.

Six Ontario Service Clubs Meet Jointly

A joint meeting of six Ontario service clubs was held at the Ontario Legion clubhouse yesterday noon.

Representing the various clubs and speaking briefly were the following presidents:

Homer Clark, Lions; Ralph Scott, Optimists; Newman Draper, 20-30; Ralph Andrews, Wise Men and Bruce Miller, Rotary, who presided at the meeting. Al Homer, vice-president, spoke for the Kiwanis in the absence of Cal Shores, president.

Turn Down Request for Chaffey Buses

In order not to set a precedent, the Chaffey school board Tuesday turned thumbs down on the request of the Chaffey Community Girl Scouts to provide bus transportation to Camp Conifer this summer.

Fred Dundas, who presided at the meeting in the absence of H. S. Bailey, president, referred to the minutes of a year ago when the board approved the use of Chaffey buses, with the understanding that it would be the last time and had been allowed at that time on a "war emergency" basis.

Newton Trautman, board member, said he didn't feel that Chaffey should compete with private enterprise since he understood that there were commercial vehicles which could provide transportation for the Girl Scouts to Conifer.

In rejecting the request made by Mrs. Evelyn Looke, executive director, the board added that if transportation proved to be unavailable, it would reconsider its action.

Meeting Will Be Held Here

The annual meeting of the Citrus Pest Control association will be held Tuesday, February 11, at the auditorium of the Upland Elementary school, according to an announcement today.

President Hugh Crawford will call the meeting to order at 9 a.m. In addition to the usual business meeting, various talks will be given.

Dr. A. M. Boyce, chief entomologist at the Riverside experiment station, will give some up-to-date information about new pest control materials and will also discuss pest control work in general.

One of the pathologists at the experiment station, Dr. J. M. Wallace will give a talk and show colored slides on the quick decline of orange trees and will discuss other virus diseases.

All growers interested in the talks are invited to attend whether or not they are members of the association. Ralph Moon is manager of the association and Lynn Birdsall is secretary.

Name Meeting Date For Y.M.C.A. Dinner

Date of the annual fellowship dinner and meeting of the Ontario Young Men's Christian association has been announced as Tuesday evening, March 18. The dinner is to be held in the American Legion hall.

—for—
ONTARIO AND UPLAND

We will be open to serve the public on and after Monday, February 10th. There will be a short preliminary preview of models from 12 to 4 p.m. Saturday, February 8th.

We pledge our entire organization and facilities to maintain and enhance the fine reputation held by the Pontiac car, by the Pontiac Motor Division and by its dealers across the country.

PONTIAC FOR 1947
A FINE CAR MADE FINER

The great new 1947 Pontiac is better than ever with its new beauty and important postwar mechanical improvements. Pontiac for 1947 offers a bigger measure of dependability, outstanding performance and long life. With even greater quality and value, Pontiac for 1947 is indeed "A Fine Car Made Finer."

RAY DAVIS RECEIVES HUGE OVATION

Perhaps the most exciting event of the evening was the appearance of Raymond J. Davis, for whose benefit the opening was being held. Accompanied by Mrs. Davis and his father-in-law, Ernie Triplett, Mr. Davis approached the entrance of the theatre and received a huge ovation after expressing his gratitude over the microphone.

Opening of Grove Premier Greater Than Anticipation

Anticipation is usually greater than realization, some wise sage said.

But he wasn't referring to the new Grove theater.

At least 5,000 people Wednesday night stood in line and along the sidewalks adjacent to the masterfut creation that has arisen in its beautiful colors on Ninth street at Third avenue.

Beyond those pale blue and cream colored doors was the theatre itself. Reports came from here and there that the beautiful structure was really a work of art inside.

Opening of the new Grove meant much to the community but individually it apparently meant much to the thousands. Seven o'clock was the time given for the first performance but everyone, apparently was eager to be there on time.

Left Early

More than one person employed in the business district hastened away from work prior to the usual closing time in order to "get ready for the opening."

That spirit of expectancy and anticipation was apparent throughout the city all week. As the time neared for the grand opening of the grandest small-town theater in the Southland the feeling became intense. Ahead was an event that virtually called for a business holiday.

Ninth street was cleared of traffic at 5:30 p.m., an hour and half previous to the opening. Just to be sure of getting a choice seat inside, early arrivers were near the beautiful entrance to the theater shortly after 6 o'clock.

The crowd of eager theatergoers filled the sidwalk on the south side of East Ninth street west to Second avenue and south on Second avenue for half a block. The crowd wasn't in single file by any means. There was hardly room for anyone but ticket holders in the big line.

Many There

And hundreds who were unable to get tickets for the first show and who were eager to get a glimpse of the visiting movie stars and who wanted to see the huge crowd, filled the sidewalk on the North side of Ninth street.

It took a score of policemen and police reserve officers to hold back the throng as the movie stars' cars arrived.

The second show was nearly an hour late and hundreds of people stood in line for as long as two hours waiting for the doors to open.

From Many Parts

People were here from many parts of the citrus district as well as from Los Angeles. It was a big event in the life of the community and Upland celebrated in a gigantic, spectacular, theatrical manner.

—V.V.P.

THEY'RE ALL HAPPY ABOUT THE WHOLE THING

Just before the doors to the Grove theatre were opened Allan Hale, Jr. (center), one of the stars present, chatted with Ben Adams (right), manager of the Upland and Grove theatres, and Barnes Perdue, division manager of California theatres for the Western Amusement Co. Obviously, all three seem very happy about the whole thing.

The Upland News Photo

LOOK OVER SOUVENIR PROGRAM

In the lobby of the Grove theatre just before the movie started Dick Long, Roday McDowell and Virginia McDowell (Roddy's sister) looked over the souvenir program which Ben Adams, manager of the theatre, presented to all those who attended. Like everybody else there Wednesday night, these Hollywood stars seem to be enjoying the activities.

SOME OF THE "FIRST NIGHTERS"

There were a lot of "first nighters" present at the Grove opening but none were so amazed and thrilled about the whole thing as this "party" here. Reading from left to right the happy girls are Norma Ammannito, Lynda Williams and Roberta Neville. The boy was not identified. Upland News Photo

Grove Theatre Opening Draws Many Thousands

(Continued from Page 1)

start the "parade of stars", was mobbed by youngsters who eagerly waited for his autograph. The appearance of Jane Greer caused a similar flutter among the more mature male members of their audience.

Inside the theatre, following the showing of the picture, came congratulatory speeches from Eugene G. Nisbet, mayor of Upland, and Ellery Wright, president of the Upland chamber of commerce. Ben Adams, manager of the new Grove as well as Upland theatres, briefly expressed his appreciation to the community for its splendid support. E. Tweed Stone acted as master of ceremonies.

The stage show, featuring 42 radio and screen stars, followed and it was nearly 10:30 before the program was over and the huge crowd began milling out, overwhelming Mr. Adams with its congratulations. Outside another long line waited to get into the second show, which was originally scheduled to start at 9:30 p. m.

Executives There

In addition to the producers, directors and technicians of the picture "Boomerang", who were present, there were executives of the Western Amusement Co., including Ted Jones, president, and Barnes Perdue, division manager of California theatres. Both of them expressed extreme satisfaction with all the proceedings and ventured to say that this was one of the best premieres they had ever attended.

After the show company officials were hosts to a buffet supper at the Haldeman House in Alta Loma to more than 200 guests, which included Upland officials and civic leaders as well as movie stars and members of the stage show. Dancing to the music of Harry Revel, who played many of his own hit tunes, capped what had been a great evening for not only those who had played a great part in the theatre opening but for the entire community as well.

COMMENDATION

The Upland police and police reserves certainly did a fine job of handling the crowds and the traffic. It was easy to see why so many people from all parts of the state take the time to write letters, commending the local police not only for their courtesy but their efficiency as well.

Well-Diversified Program Highlights Premier Opening Of Grove Theatre

BY STEVE KALAGIAN

Well-diversified entertainment was the keynote of the premiere opening of the Grove theatre Wednesday night and apparently most everybody enjoyed it, even though the program did run nearly an hour overtime.

The "sneak" preview which opened Upland's new theatre was "Boomrang" starring Dana Andrews and Jane Wyatt and included a cast which was above the usual standards of a supporting cast.

A "whodunit" that never definitely revealed "whodunit," the picture employed a slightly different angle than most productions of this kind. It borrowed a little of the Alfred Hitchcock technique of suspense and the camera work was more freely used to emphasize not only character but sustained powerful feeling as well.

Never Solved

The plot itself revolved around the courageous convictions of a state's attorney (Andrews) who refused to prosecute a returned veteran who he is convinced is innocent, for murder to save the public lives of politicians and their bosses. He surprised everyone, including the police chief by turning for all practical purposes defense attorney and sticking to his beliefs despite pressure of all kinds. The ending was somewhat up in the air but since it was based on a crime that was never "really solved," perhaps no other alternative was possible. However, neither the movies nor the theatre can ever be comletely realistic and still present good drama and that perhaps was the biggest single weakness of the show.

Like every other production, the variety stage show, which donated its services to help Raymond J. Davis, had some very outstanding acts and a few that were a little weak. Roddy McDowell, British accent notwithstanding, seemed to delight the audience with his antics, particularly with the microphones, and was definitely a hit with the teenage audience.

Lots of Variety

There was a little of everything in the show—comedy acts, dances, music, singing and a lot of girls. One of the dance sequences, the "flashlight" number was particularly effective and seemed to have been bodily lifted from a current musical comedy hit.

Both "Counter Attack" and "Mickey Finn" had all the earmarks of good comedy, with the latter somewhat better handled and consequently drawing a better response from the overflowing house. The Hear twins were not only carbon copies in looks but in piano accordian playing technique as well.

Speaking of likenesses, Allan Hale, Jr., not only reminded everybody of his father, but had the same blustering jovial air about him that has made the elder member of the family so much a favorite for a lot of people. His jokes weren't bad, either. At least, they were new which is more than you can say for Eddie Foy, Jr.

Probably Best

Perhaps "The Taylors" were the best act in the show as far as pure entertainment value went. The imitation of Betty Hutton by the male member of the duet and that of Bing Crosby by the girl seemed to shake the house with laughter with their movement. Of course, they just went through the motions while the voices of Miss Hutton and Crosby were piped in via a phonograph record.

Movie personalities in the show who were introduced on the stage included Tim Holt, Jane Grier, Eddie Foy, Jr., Allan Hale, Jr., Virginia McDowell (Rodney's sister) and several others. It was unfortunate Miss Grier was too "stagestruck" to say anything but we understand this was her first personal appearance! And anyway, lot of people were satisfied just to see her, so the saying goes.

Other acts included:

Three Cheers for the Audience, Candle Burning, Delores Mitchell, Johnny Perry, Ray Dalcomi, Ann M. Fitzsimmons, Slightly Perfect, Ted and G'Anna, Hollywood Standin and We've Never Been Licked.

PINO DIES

SAN GABRIEL, Feb. 7, (AP)—Charles Del Pino, 66, international banking expert for the Bank of America for many years, died yesterday. Before his retirement he was with the Bank of America for 28 years after arriving from his birthplace, Geooa, Italy.

New Street Names for Upland—Yes, We May Get a Change Soon

A timely task has been undertaken by the city planning commission.

Long recognized as a tangled mess that some day must be corrected is the inconsistency of Upland numerical street names and house numbers. L. R. Bradley, one of the city's first residents in point of tenure and of public interest, has been made chairman of a committee to suggest a remedy.

The planning commission, supported by the chamber of commerce, is the logical agency to handle the problem. Surely no efficient, far-sighted agency could overlook the present system. It must be corrected and doing so early this year should be the objective.

Having new street names and perhaps new house numbers at Christmas time is idiotic. There is plenty of time during the next few months—if the public becomes properly interested—to work out a systematic pattern for properly identifying the streets and logically numbering the houses.

The Upland News has frequently presented the situation and hoped that some day a change would be made.

Mr. Bradley has a wonderful opportunity to establish a plan that will serve the residents of today and for endless years.

We hope there is no unreasonable delay in achieving a logical, easy-to-understand street naming system.

Have You "Made Up" At Church?

Many service clubs have a very fine rule concerning attendance of their members.

All members are expected to attend. In some cases, non-attendance over a short period of weeks means dismissal from the organization. In most cases members are expected to "make up"—that is attending a meeting of that organization in some other city.

Members of churches should assume the same attitude toward that organization as they do toward their service club and lodge obligations. Church membership is a privelege, which should not be lightly accepted.

There is inspiration, education, relaxation and a spiritual vigor that can be obtained in no other way than at church attendance. Church members—like club and lodge members—receive much from their regular presence in services. They also "give" much to their fellowmen and to the finest organization in their community.

Build Houses—that's The Way To End Shortage

When will the housing shortage end? Some prophets predict that it could be ended within a year. Other forecasters in a more gloomy spirit can see no relief for many, many years.

The National Association of Real Estate boards foresees an early solution to the shortage IF——

On the other hand, the federal office of temporary building controls has issued an announcement indicating great pessimism.

Explaining the stand, the Real Estate association statement contends that builders, unfettered by governmental controls, and interference, could get the colossal job of home building done within a reasonable time at prices which would automatically adjust themselves in a free, competitive market.

This state and this nation need homes—tens and hundreds of thousands of them. The only way to get them is to build them. If relaxed or removed controls prove to be the best solution to the housing famine, then Congress should decide that point and act. Negative philosophy won't put a roof over anyone's head.

Lions Told of Airline Service

Pacific Overseas Airlines is in business to stay and it is very pleased with the facilities at the Ontario airport, Ed Piersol, public relations officer, said at the meeting of the Upland Lions club in the Upland Woman's clubhouse at noon yesterday.

One of the two airlines in the nation that is making money, Mr. Piersol said his firm was in a favorable position and that it had made an enviable record as to service and safety. Not one fatality had occurred on its lines during the 104 million passenger miles its planes had flown, the speaker reported.

"If the Ontario airport were equipped with more powerful lights and with the latest equipment in aiding plane landings, it very likely would be designated as the alternate landing field for the passenger plane lines," he said.

Clinton Thompson served as program chairman with President Henry M. Busch in charge of the meeting. Mr. Busch and Joe Seitz reported on the recent Lions club mid-winter conference at Fresno.

Like It or Not, Kids, Ice Cream Has Got to Go

Whether the kids like it or not, the ice cream man has got to go.

That was the decision reached by the Upland city council last night on the "ice cream man" who has been seen of late on Euclid avenue, usually on Sundays, selling ice cream to traveling motorists.

The council voted to call the matter to the attention of Police Chief Eugene L. Mueller, with the comment that it created a traffic hazard and that since no business was at present allowed on Foothill boulevard, there was no reason why a "traveling ice cream man" should.

Nearly a million cars of fresh fruits and vegetables are shipped annually by rail to the city markets.

"The formula for a successful business is to establish your credit and owe everybody."

This Life We Live

By JAMES V. LATIMER

This morning I am in the desert, but I am thinking of you. I am also considering the lessons taught by the things I see around me. I look to the south and see snow-capped peaks; I look to the north and see the same; but here in the valley it is warm and clear. Then I remember what I am supposed to have learned many years ago, about the beauty of the valley and its gifts—"The peak that is nearest the storm cloud is nearest the stars of light." But I am in the valley where all is warm and fine and those peaks are far away.

I am thinking of how much hardship and trouble we miss if we follow the clear paths of life, as illustrated by this valley. The master builders went before us and made surveys. They broke out the trails and leveled the grades somewhat. The pioneers found springs of living water and beat a path through these eternal hills. We owe them much and that heavy debt can never be repaid. Yet many of us just want to go on our way, with but little consideration given to those bronze men of action. Life is like that.

Signs have been placed along this highway for our guidance and protection. These point the way to safety and direct us to our destination. They tell us that one road will carry us to the city, to our home or to our friends, while another will lead only into the hills or back to the desert. Yet some of us insist on blazing our own trails rather than to follow the paths clearly laid out for us.

From this hotel I can travel into the hills if I choose, and can even venture up toward those snow capped peaks. I could find there such experiences in life as weariness, cold, hunger, or exposure. These I wish to avoid, so I follow the well planned roads and highways. If I choose disaster, then I follow my own whims.

So, this morning I choose to sit by the window and enjoy the rich warmth of the sun, and to meditate on the spirit of those who choose laughter and the joy of living. I am thinking of you in your office, in your home, or in your pursuit of the daily tasks. You too have made my path easier, and I am glad. You merit my deep appreciation and thanks.

For today I am following the good road, prepared for me by others, and I travel it in sincere appreciation. You have made it possible for me to avoid certain dangers and to keep off the paths that lead toward destruction. The highways you have built are good. However, the pioneers challenge us, and we long to follow on.

Dumais Alibi Found Sound

FORT DIX, N. J., Feb. 7, (AP)—Army records show Cpl. Joseph Dumais was right here in Fort Dix at the time Elizabeth (Black Dahlia) Short's nude and mutilated body was found on a vacant lot in Los Angeles.

Post Public Relations Officer Major Cornelius T. Morris made that announcement last night, after Dumais had been questioned in connection with the slaying but the officer declared the Army records might be in error.

Morris quoted Dumais as saying he had a date with Miss Short in California on Jan. 9 but that his mind "blanked out" at the time and he remembered nothing until he found himself in New York's Pennsylvania station.

The public relations officer said Fort Dix records showed Dumais arrived here from furlough either the night of Jan. 10 or the morning of Jan. 11 and had not been absent since then. Miss Short's body was found Jan. 15, and police said then she seemed to have been dead only a few hours.

Dental Care to Be Provided for Upland Children

The Upland city council last night voted to provide $75 for the city-wide dental program which will be undertaken by the Upland board of health and Mrs. Helen Gilkey, county nurse, at an early date.

Appearing at the meeting were Mrs. Edward Hanson, representing the health board, and Mrs. Gilkey, who told the council that in Upland, Cucamonga, Alta and Etiwanda are more than 250 children in desperate need of dental attention but that there were not enough dentists to take care of them.

Arrangements have been made with the Ontario health department for the use of a dental chair one morning a week at a cost of $5 a morning or $75 for the 15 days that would be required to take care of all the children with bad cavities. For this charge, Ontario would not only provide the use of the chair but the instruments and linens as well. It is for this rental charge that the city's appropriation will go.

Mrs. Hanson also told the councilmen that arrangements had been made with Dr. Russell Ramsland to provide the dental treatment for the children one morning a week. The Junior Welfare league has agreed to stand the cost of the dentist's expense.

We have a good selection of all wool axminster rugs by the most famous of manufacturers—Bigelow, Mohawk, Alex Smith and Firth. Upland Furniture Co.
adv. 93-1.

Quick End to Mass Trials Forecast

LOS ANGELES (AP) —A quick end to the mass trials of 1100 persons, arrested during picketing outbreaks at major film studios last fall, was forecast today in the wake of a deal between prosecutors and defense attorneys.

Under terms of the arrangement, said Assistant City Attorney Don M. Redwine, 300 of the 1100 will plead guilty to violating a superior court order restricting picketing, and charges against the balance will be dismissed.

Chaffey Panthers Face "Big Test" Against Riverside Tonight

The Upland News
SPORTS
The Upland News, Friday, February 7, 1947.—Page Five

Sport Slants

BY STEVE KALAGIAN

Another organized league has come into existence with the formation of the Mt. Baldy league which includes the Upland Junior High school. It will embrace not only football, but basketball, track, softball and tennis.

Ernest J. Camfield, who will become full-time principal at the Junior High in September, has been trying to bring this about for some time. It was very appropriate that he should be elected the first secretary of the "freshman" league. An energetic worker, "Bud" Camfield will, no doubt, play a leading role in the future success of the league.

Another "flower" for Upland is the fact that Harold W. Cook, district superintendent and a great believer in a sports program, suggested the name, "Mt. Baldy' which was adopted at the meeting Wednesday night.

The Upland Junior High school has been making great strides in its athletics and now with the added incentive of belonging to a CIF league, it ought to do even better. Our only hope is that something can be done very soon about providing a gym for the boys so that by the time basketball season rolls along next year some of the games can be played here.

Kaiser's Boys

We had the very welcome pleasure yesterday of sitting next to Karl Kaiser, Chaffey Tiger basketball coach, at the Ontario Legion clubhouse where the Rotary, Kiwanis, Optimists, Lions and Wise Men (all from Ontario) held a joint luncheon meeting.

Talking about a lot of things as you usually do at such a luncheon, Karl told us that he was one of the "pioneers" who, with other Legionnaires, pitched in and helped to build the clubhouse we were sitting in. He had forgotten a lot of the things that happened in the process, he said, but one experience was still with him. He was going along fine putting up the rafters until he came to almost the last one and then the board cracked.

"Isn't it funny how things like that stay on your mind after so many years," he added with his infectious smile.

Then, naturally enough, our talk turned to basketball. Speaking about his team this year, Coach Kaiser said he was very happy at the spirit and fight they had shown all year, in spite of the fact that they have been outclassed, as far as in height goes, in practically every game.

But still he was gratified at their determination to keep on fighting all the way and he has a right to be. While every coach likes to win, the attitude of his team is even more important and that, after all, is the primary reason for including sports in the school program.

With all these revelations about "fixes" by gamblers, it is good to breathe the fresh air of clean sportsmanship right here in the Chaffey district.

Diamond Troubles

Now that John Calvin park has added another professional occupant in the Sunset League, the future for amateur sports in this area doesn't seem very encouraging.

Gardiner W. Spring, Chaffey superintendent, considered the matter serious enough at Chaffey to undertake the very tedious job of converting the sophomore field into a practice ball diamond and then, in keeping with the times, "reconverting" it back to a gridiron in the fall.

While we can foresee in later years the bringing in of a professional ball club to the contemplated Upland ball park for revenue and prestige purposes, we are glad to see the committee insist that for the time being it be kept strictly for amateur sports and for the youth of the community. Only after it is certain that their needs are adequately provided for, an additional diamond may be added for use by professional groups.

For the time being, however, the committee feels, and rightfully so, that the expansion of the city park is primarily to provide a sports and recreational center for the youth of the community and all others interested in strictly amateur athletics.

TOURNEY SET

FRESNO, (AP)—The Fort Washington Golf club of Fresno again will sponsor the staging of the annual California State Open golf tournament April 30th through May 4th.

Local Quintet Has To Be At Best to Win

Coach Harvey Shirks' fighting Chaffey Panthers will have to more than live up to the "fighting" part tonight, when they play host to the Riverside Bengals, at the Chaffey gym.

This decidedly crucial contest will go quite a way towards deciding whether the Panthers remain in the race for title honors, or are to be merely also-rans.

In the first round of league play, Shirk's shaggers lost to Riverside, Fullerton and Santa Ana, with all three loses being played on the winner's court. Riverside won the first game by a five point margin in a smelly officiated 33-38 battle. To show what it was like, Anse McCullough, present league leading scorer, with an average of 17.3 per game, had to be content with exactly six (6) points. Roy Morrison was high with 12.

Tonight, Shirk will have his men under strict orders to go after the ball, to play for the ball, and shoot for baskets, especially the guards, Don McCullough and Jack Nixon, whenever the chance pops up. Shirk also has worked his men on the art of making good their free tosses. He further stressed his point by saying that although both Riverside and Fullerton made the same number of goals, Riverside won by making good 7 more free throws than Fullerton.

Although Riverside is currently tied for first place with the Santa Ana Dons, Chaffey can knock 'em off, IF THEY PLAY as they are capable of playing and play as a team. This they must do or all will be lost before they start. Their passing and ball handling must be sharp along with their attempts to control the backboards.

The favorites will be Riverside but Chaffey can upset them, in what should be one of the season's hottest games.

Coach Shirk's tentative lineup will have Chet Nicholson and Roy Morrison at forwards; Anse McCullough at center; Jack Nixon and Don McCullough at guards.

The undefeated Chaffey Junior varsity will be out for their 18th in a row, opening the evening's entertainment at 7 p.m., before the varsities start their battle.

16 to 19 To Be In San Antonio

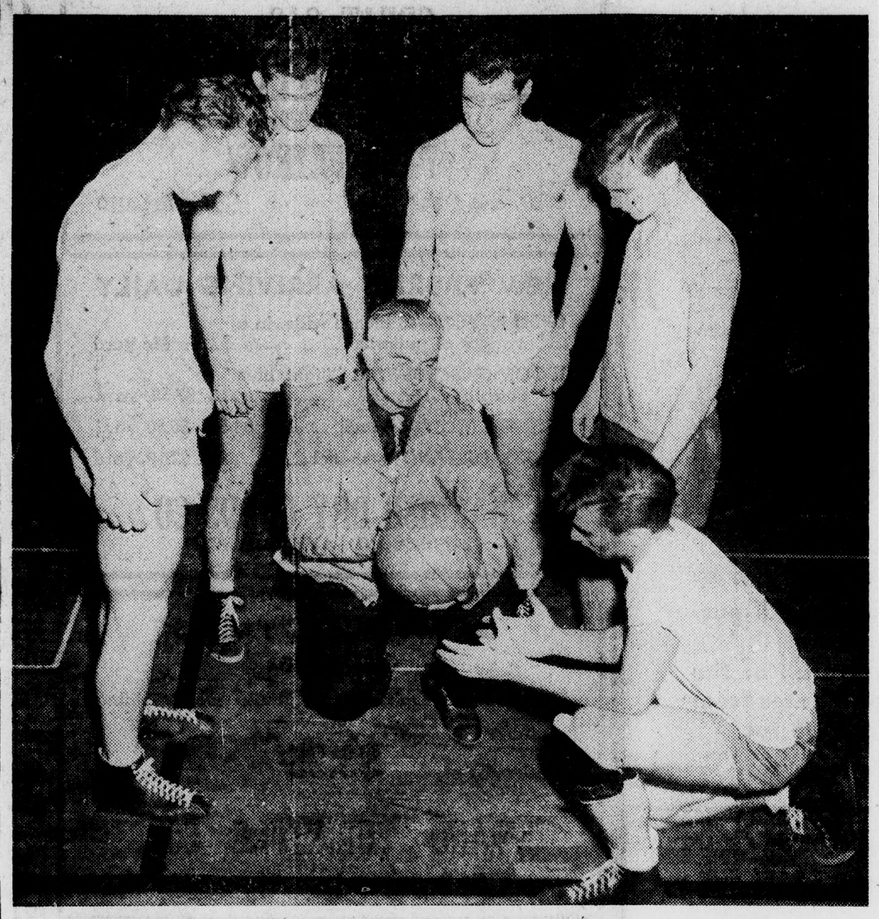

ARCADIA, Feb. 7 (AP)—A whopping field of 16 to 19 seasoned stakes campaigners will try to whittle one another down to platter size tomorrow in the $50,000 San Antonio handicap at Santa Anita park.

A mile and one-eighth test for three-year-olds and up, the San Antonio is expected to give a solid line on the $100,000 Santa Anita handicap March 1. Most of the top nominees for the big 'cap are ready to go tomorrow.

SIGNS UP

OAKLAND. (AP)—Don Smith, outfielder, who hit .300 for Kansas City last year, has signed a contract with the Oakland club of the Pacific Coast baseball league.

CAGEY KARL KAISER GIVES HIS TEAM A FEW TIPS

Here Coach Karl Kaiser, considered one of the craftiest basketball coaches in Southern California, gives his Chaffey Tigers a few tips which earlier in the season resulted in upset victories over Riverside and San Bernardino. Left to right, the Tigermen are Don Lucas, Ken Carpenter, John Whitham, Bill Bray and Dino Papavero. The Upland News Photo

Karl Kaiser Came To Upland 25 Years Ago On Honeymoon And Never Left

BY DON BENSON

Twenty-five years ago a young man and his bride were spending part of their honeymoon in Upland, when fate stepped into the picture. This young couple met by chance Merton E. Hill, then principal at Chaffey. Upon becoming better acquainted, Dr. Hill persuaded the couple to make their home in Upland, and for the young man to coach basketball at Chaffey.

Yes, that is how Coach Karl Kaiser came to Chaffey in 1922 to take over the casaba coaching job, where he has become rated as one of the outstanding coaches in Southern California.

Karl said that he played his first basketball way back in 1909 in Kansas. His first coaching job was at Longmont High, Kansas, where he stayed two years. Rocky Ford High school, Colorado, was the next stop, where his team won the All-Eastern High tournament, at Syracuse for the championship, winning by the one-sided score of 50 to 10!

LOST COUNT

Coming to Chaffey, Karl has established a record on the hard woods that probably will never be equalled. When asked how many C. B. L. titles his teams had won, he began counting, but there was so many, both of us lost count.

His great team of 1930, made up of Eldon Naftel, Clint Dornbush, Aubrey Dinger, Cy Gunstream and Capt. Dave Meek, became the first team in Chaffey's history to win the Southern California championship.

While realizing that it would be pretty difficult to pick out one "best" team out of 25 years of good teams, Karl said he thought that the 1930 squad was probably the smoothest.

FRENCHY BEST

When asked about favorite players, he stated that Roy French, captain of the '26 C. B. L. title-winners and also the first Chaffey team to reach the finals of the Southern California play-offs, was the best running guard he had ever coached.

"I remember 'Frenchy' beating Riverside almost single-handed in a 40 to 4 game," Karl said. That team had plenty of fight, too.

"I remember we played San Berdoo on their court for the C. B. L. title, and I'll always say that that game was my biggest coaching thrill," Karl went on. "I took a chance and took the captain of the "lightweight' (no sophomore teams then) team, Chet Stock, and put him on the varsity, knowing it would ruin the lightweight's title hopes, but might help us beat 'Berdoo. Berdoo was leading 31 to 26 and only a few minutes remaining and I sent Stock in with instructions for "Frenchy", who was playing a whale of a game and having a personal duel with big Erny Pinkert all at the same time, to feed Chet the ball. Frenchy fired two passes to Stock, who flipped 'em in. Chet sank a free throw to tie it up 31-31. In the overtime we beat them 38 to 34! What a game!"

Chaffey walked off with the Southern California in 1936, just to show the first time wasn't a mistake. Don Curry, Burt Nichols, H. Franklin, G. Edwards and the last of three famous Upland Doll brothers, Bob Doll, were the main cogs.

When Bob Doll entered Chaffey his two older brothers, Hank and Gil, had made the name famous on the basketball courts. But Bob didn't want to play basketball. He wanted to pole vault because of his brothers' reputations, he'd be expected to perform miracles and he didn't think he was any good.

"I had a devil of a time convincing him to come out for the team," Karl reminisced, "I used every argument I could think of before he finally changed his mind. I can remember how, in his first game against Pasadena, on their court, Bob sank eight out of the

(Continued on Page 6)

Tigers to Try Upset Again With Riverside

Coach Karl Kaiser's Tigermen will face Riverside tonight on the Mission City hardwoods and try to send the league-leaders their second defeat.

Although the Tigers have three C.B.L. defeats charged against them this season, they surprised all the dopesters by their two stunning upsets over Riverside and San Bernardino earlier in the season and could conceivably do it again.

While Riverside will be out to avenge its defeat by the Chaffey five, the only loss it has suffered in C.B.L. play, by the way, the Tigers under the guidance of "cagey" Coach Kaiser will, nevertheless, be in there fighting to do it again. What the small Tigers lack in height they more than make up in spirit as they have demonstarted in all their games.

Coach Kaiser, though not predicting a victory, had this comment to make today:

"The boys know the odds are against them, but they're determined to pull an upset again, if possible."

So, win or lose tonight, the customers over at Riverside, as well as the team, is in for a pretty exciting evening. In case anybody has forgotten, Chaffey came from behind in a rousing finish to lose out Riverside, 37-36 in their first meeting.

Babe Ruth Celebrates Birthday Day Earlier

NEW YORK, Feb. 7 (AP)—The ailing Babe Ruth celebrated his birthday today, although the records insist that he actually was born a day earlier. As usual, however, the hero of baseball's millions of fans had enough well wishes to make it a two-day affair.

Whether he is 52 or 53 is also a matter open to some debate. Up until the need for a birth certificate arose some years ago, the Babe had always given Feb. 7, 1894 as the date of his birth.

So, by his own choice, he is 53 today.

Angels to Play at San Bernardino

LOS ANGELES, Feb. 5. (AP)—The Los Angeles Angels announced three additions today to their exhibition schedule, bringing the total to 22. They are: San Diego at San Bernardino, March 14; Seattle at Visalia, March 20; San Diego at Fullerton, March 25.

Exchange, Bambu Hut, Bank of America Win Their Games

Both Exchange Orange and the Bambu Hut won their games in the Chaffey District league last night, with the latter easily coasting through to a 40-20 victory over M. K. Smith.

The Hut boys went into the lead right from the start and were leading at half time, 22-9. Essig and Norris Hanna did most of the scoring for the losers.

In the other game Cardin and Claeyssens scored two-thirds of the points as Exchange Orange defeated Etiwanda, 30-26.

The G.E. team, pepped up 100 per cent by two new-comers, Jess Knight from Barstow, and former Chaffey J.C. Panther Don McClure, turned back the favored American Legion team Wednesday, 25 to 17. Bank of America, led by little Mark DeWees and Russ Farrar, stopped the Pacific Overseas Airliners, 22 to 17. Tall Tom Tomich, P.O.A. forward, scored 16 of his team's 17 points but his mates couldn't hit the basket or fathom the tricky teamwork of the money boys.

Jess Knight gave a one-man performance in racking up 14 points, while being on top of the ball when it counted. Don McClure, a fugitive from Chaffey and now at G.E., helped Cliff Flower and Rex Hannah bottle up the Legionnaires, as Roy Wenger, usual high pointer, had to be satisfied with 4, and Teammate Chuck Burt collecting 5 for Coach Halverson's team. G.E. will have to win their two remaining games against P.O.A. and M. K. Smith to get in the play-offs.

Two Open Dates Still Remain On Tiger Grid Schedule

Two open dates still remain on the Chaffey Tiger schedule for next fall, Coach Truck Lindsey said today, with every indication that both of them will be filled within a week. Every effort will be made to arrange for home and home games in each case.

The Tigers will meet one of the strongest football machines in Southern California with the signing of a home and home agreement with the Alhambra Moors who will be seen at the Chaffey stadium for the first time on Oct. 10.

Negotiations are still under way for the Fullerton game which will be played either on Sept. 26 or Oct. 3. Once the date is definitely set, Coach Lindsey said, another game will be arranged for the open date. The other date still to be filled is Nov. 21.

Schedule as of today follows:

Sept. 26 or Oct. 3—Fullerton, there
Oct. 10—Alhambra, here
Oct. 17—Redlands, there
Oct. 24—Riverside, here
Oct. 31—San Bernardino, here
Nov. 7—Pomona, there
Nov. 14—Colton
Nov. 21—Open (to be filled)

Although the time hasn't been decided as yet, it is believed that most of the games will be played at night.

Louis Meets Godoy in No-Decision Bout

MEXICO CITY, Feb. 7, (AP)—Heavyweight Champion Joe Louis and Chilean Arturo Godoy, twice a contender for the world title, meet for the third time in a ten-round, no-decision bout tonight inaugurating Louis' Latin-American tour.

The scene is the new 60,000-seat bull ring and Promoter Gene Lucas has high hopes of a sell-out that might result in a gate of $400,000.

Ted Williams Signs; Salary $70,000

BOSTON, (AP)—Ted Williams, Boston Red Sox slugger, has signed his 1947 contract, reputedly calling for between $60,000 and $70,000.

General Manager Eddie Collins of the American League baseball champions said Williams "wrote his own ticket."

Ted himself refused to divulge just what he was getting, but did tell newsmen "it's the most money I ever got."

You can bet it's not by accident that RPM Compounded Motor Oil keeps your motor cleaner, gives it longer life. *This* oil's especially compounded to end carbon trouble, prevent corrosion, stick to hot spots that ordinary oils leave bare and exposed to wear, to fight oxidation, and to eliminate air-bubbles that would impair circulation. Best of all, RPM Motor Oil doesn't cost a cent more!

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma,, Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.
$1 if person selected has no sales slip.
$5 if person selected has one sales slip.
$10 if person selected has two or more sales slips showing total purchases under $1.00.
To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

Council to Send Complaints About Train Movement to Pacific Electric

Following the receipt of a complaint from Miss Willamene E. Harnly, Vernon drive, on the amount of freight being hauled by the Pacific Electric and that "steam engines" were still being used, the Upland city council last night decided to send all such future communications to the Pacific Electric company.

City Attorney Henry Busch said that under the franchise granted to the P. E. by the city, the company has the right to use electric locomotives and to haul as much frieght as it desires. However, he stated that in his opinion "diesel electric" was in the same category as steam engines and could not be properly classified as electric.

It was also brought out by the councilmen that they had received other complaints, particularly on the fact that at various times the crossings were blocked for as long as 20 minutes by pasing trains which remained parked, thus creating a possible fire hazard.

Miss Harnly, in her letter, said that the tracks were not built for the heavy traffic now being moved over them by the P. E., nor were the houses next to it. She complained of train noises at all hours of the night.

City Buys Legion Site

(Continued from Page 1)

two surplus buildings.

The city expects to move some of its offices into the present Legion building and use it for possible expansion in the future.

Wants $50,000

City Manager R. G. Manley reported that he had been informed that the property on the corner of Foothill boulevard and Second avenue, a site which the planning commission has recommended for a civic center, could be purchased for $50,000. The council, which has been thinking of the area which encompasses some 14 acres as a possible investment, decided to give the matter further consideration before taking any action.

A resolution requesting the State board of health for a permit to build with Ontario a sewage plant on the southwest corner of Ely street in Ontario was adopted.

To Put Teeth

Seeking to put "teeth" in its cleaning ordinance, the council instructed City Attorney Henry Busch to amend, or if necessary to redraw, the present ordinance, in order to give the city power to compel the better upkeep of yards and properties in the city. Mr. Manley reported that he had been receiving complaints about the continued presence of wood, cans and other "junk" on some lots.

Acting upon the recommendation of the police commission, the councilmen approved the request of a full-time police officer to replace Clyde M. Fox, who was on duty with the police department on a part-time basis. Police Chief Eugene L. Mueller, who made the request, pointed to the increasing traffic problem, particularly at Campus avenue and Foothill boulevard, as an indication of the need for an additional officer.

The request for a water pipe to the property of Mrs. P. H. Mattson on East Foothill oulbevard north of the city park was tabled with the understanding that it would be reconsidered when the property was properly subdivided to conform to the city ordinance.

Traffic Hazard

The building and police departments were instructed to investigate the complaint that a building at Twenty-third street and Mountain avenue stuck way out in the road and was a definite traffic hazard.

The council agreed to pay the charges for residents of the subdivision at Seventh street and Euclid avenue to hook on the Ontario sewage line until such time as the city of Upland is able to provide the service. It was pointed out that it would cost the city more to bill the residents for the costs than to absorb the charge of 25 cents a month or $3 a year itself.

Social Agencies To Meet Here

The Vina Danks Junior high school, Ontario, will be the scene of the San Bernardino county council of Social agencies meeting on Thursday, February 13, 5:45 p. m.

The session will begin with a dinner followed by a talk from Miss Winifred Erskine, supervising nurse, San Bernardino county health department. Her talk will include the organization and services of the department.

Any person interested in community work may attend the session. Reservations may be phoned either to San Bernardino 6811, extension 319 or Ontario, 611-81 by Monday.

Congress made the first appropriation for conducting studies in the marketing of farm products in 1913.

Honeymoon in Upland Brought Karl Kaiser To Chaffey Athletics

(Continued from Page 5)

first nine shots he attempted!"

Karl didn't say so, but I will, when I say that the coaching and schooling that Canny Karl imported to Bob Doll had a great deal to do with the fact that Bob Doll was named All-American for two years while at Colorado U.

As for this year's high school team, Karl paints a very black picture. Kenny Young, a fast developing forward with a nice shot, moved to another town, and his loss will be severely felt, as Karl is short on experienced men, and said Chaffey would be lucky to win three or four games in the C. B. L.

That sounds pretty drastic coming from the man who has "lapped" up the title year after year, but I'll have to see it happen before I'll believe it. Karl is very cunning and has a way of developing raw material into stars. So let's wait and see, huh?

Race-Relations Sunday Observed at First Methodist, Mennonite Church

Both the First Methodist church and the First Mennonite church have announced special services in observance of "Race-Relations" Sunday, February 9.

The Methodist pastor, the Rev. Dr. Samuel Hughes, will speak on "Stockholders in the King's Business," at 11 a.m. In the evening, 7:30 o'clock, two motion pictures will be shown.

At the Mennonite church, a panel discussion led by T. C. Neufeld will have the topic "Mexican-American——Anglo-American Relationships in Our Community." The public is invited to the program which starts at 7 p.m.

During the 10:30 a.m. services at the Mennonite church, the Rev. Earl Salzman, pastor, will deliver a sermon on "The Good Samaritan."

"The Pursuit of Happiness" is the sermon topic announced by the Rev. Dr. Rufus W. Oakey, for 11 a.m. services at the First Presbyterian church.

The Upland Foursquare church will be the scene of a Tri-County Singing convention this Sunday at 2 p.m., with singing groups from the district expected to attend. During the morning period, 10:45 o'clock, two missionaries from Borneo, Mr and Mrs. Bob Williams, will appear.

The Rev. Don. P. Hathcock will deliver a special sermon on the subject, "Life's Greatest Question and Answer" at the First Baptist church of Upland Sunday morning at 11 o'clock. The church is sponsoring a ten weeks' program of Bible reading and personal evangelism, beginning on Sunday.

The Rev. C. R. Heisey, pastor of the Brethren in Christ church, will continue with the fourth sermon in a series, "Bread from Heaven" this Sunday at 11 a.m.

The Church of the Nazarene is celebrating Youth Week and the Sea Scout ship, "Tiger Shark," and the skipper, E. Tweed Stone, will be special guests at Sunday morning services.

The N. Y. P. S. service at 6:30 p.m. will present the missionary band from Pasadena college in songs and inspirational talks. Rev. J. H. Mayfield, a professor at Pasadena college, will bring the message in the 7:30 p.m. service.

Monday, Tuesday and Thursday evenings there will be a special class for young people on "Youth and Recreation." The young people will have charge of the Wednesday evening prayer service.

At the 11 a.m. service next Sunday at the Bethel Congregational church, the Cub Scouts of Ontario will be special guests. The minister, the Rev. Charles L. Knight, will deliver a sermon on "The Guards at the City Gates."

The Rev. Francis J. Archer, a field secretary for the Free Methodist commission on Missions will be the guest speaker at the First Free Methodist church, Ontario, Sunday 7:30 p.m.

"Haggai Speaks to the 20th Century Christians" is the topic announced by the minister, Marvin R. Tate, for 11:15 a.m. services at the Church of Christ.

The text for the Sunday lesson-sermon at the Christian Science church, Ontario, is announced as "Spirit."

Panel Discusses Race Relations

"Mexican-American —— Anglo-American Relationships in our Community" is the topic for a panel discussion at the First Mennonite church Sunday night 7 o'clock.

The meeting, in keeping with national observance of Race-Relations Sunday is dedicated to the purpose of helping to create a spirit of closer cooperation and understanding among the citizens of the community. The public is invited to attend.

Several special musical numbers will be included in the evening's program. An added feature will be a display of art and hand work created by students of the Cucamonga schools.

T. C. Neufeld, instructor at the Los Angeles county probation school, Camp Baldy, will serve as moderator for the panel which will include: Miss Betty Anne Horsch, San Bernardino county welfare department, Walter Mertz, Jr., teacher of the young adult group of the First Mennonite church, Mrs. James A. Martinez, president of the Inter-American council of Upland and Chaffey adult education director, and Paul Coronel, Spanish instructor at Chaffey and a regional officer in the Mexican-American movement.

Glen Teagut, Chaffey college student, will act as general chairman of the evening.

Churches

Deadline for church news, notices is 9 a.m., Thursday. Unless other instructions are given, the time schedule for church services will be published the same as the week preceding.

OBSERVE FOUNDING OF NATIONAL P.T.A. WITH CANDLE-LIGHTING CEREMONY

The founding of the National Congress of Parents and Teachers was celebrated Wednesday with candle-lighting ceremonies at the Cucamonga Central school.

The meeting of the Parent-Teachers association was presided over by the president, Mrs. Arvid Lewis. Flag salute was led by Bill Milliken, with Mrs. Levi Hirschler presenting the thought for the day.

During the program, third and fourth grade pupils participated in a skit, "Goblinade," and sang "At Pierrot's Door," both in English and French.

Two Spanish dances were given, followed by a presentation by the seventh and eighth grade pupils of a play in Spanish. "In the Grocery Store." They also sang three songs in Spanish.

During the candle-lighting ceremony, honoring both the formation of the national group and the founders, Mrs. Jeff Stephenson lit a candle for the home, Miss Elda Engle for the school, Mrs. Ray Ford, the church, Mrs. Asger Ravn, the community, Mrs. Harold Woodrow, for boys and birls organizations, and Mrs. C. R. Wainwright for the world of tomorrow.

Several past presidents of the Cucamonga association were present and also honored.

Tea was served by the third grade mothers, with Mrs. A. C. Beattie and Mrs. Ray Ford presiding at the tea table.

ABOUT PEOPLE

Guests at the home of Mrs. W. T. Schaffner, 970 West Eighteenth street, on Tuesday were Mrs. Roberta Hartwick, Deep Haven, Minn., and Mrs. Minnie Lund, Hollywood.

We've heard of generous people, but C. G. Brown, 219 Laurel avenue, tells us he has about 300 or 400 plants, chrysanthemums and canas, he wants to give away. He says they will be "given away free to anyone who wants them," but he asks that interested persons come to his home on Saturday or Sunday.

Mr. and Mrs. Arch Davis, proprietors of the Home cafe, have something to crow about, because their daughter, Miss Viva Davis, completes a three-year nurses' training course this week. Miss Davis has been taking her nurses' training at the Good Samaritan hospital in Los Angeles and expects to continue working at the hospital.

House guests of Mr. and Mrs. Frank Phillips, Wilson avenue, are Gen. and Mrs. Wollcutt Paige Hayes, from Berkeley. Gen. Hayes has just received a medical discharge from the army air corps, having served at Scott Field and more recently in the Antilles. They expect to stay in Upland about two weeks.

Mrs. W. J. Larkin, 344 Sixth avenue, is enjoying a visit from her mother, Mrs. Mary Andrews, here from London, Ontario, Canada. The visit is Mrs. Andrews' first trip to California for nine years and she expects to stay about two months.

Just returned from a honeymoon trip to San Diego are Mr. and Mrs. Richard A. Bourne. Mrs. Bourne is the former Thelma May (Betty) Larkin, daughter of Mrs. W. J. Larkin, 344 Sixth avenue. The Bournes will stay at the Larkin home until Monday when they will leave for the east coast where Mr. Bourne, a warrant officer in the navy, expects to be stationed.

Visitors at the home of Mr. and Mrs. Francis Rogers, 565 Laurel avenue, during the week have been Mrs. Rogers' brother and sister-in-law, Mr. and Mrs. Leonard R. Kibby. The Kibby's are visiting in Southern California from Detroit, Michigan. They expect to stay with the Rogers until the first of next week.

Former Uplander Weds Ontarian at Methodist Church

With more than 400 friends and relatives in attendance, Dorothy Elaine Evans, former Upland resident, daughter of Mr. and Mrs. P. H. Evans, San Bernardino, became the bride of Robert Steveas Walline, son of Mr. and Mrs. Austin Walline, Ontario, January 25 in the Upland Methodist church.

The ceremony was performed by the Rev. Dr. Samuel Hughes. Organist was Mrs. George Cassell.

A reception was held following the ceremony in the Ontario Women's clubhouse and concluded with dancing. Open house was also held at the Walline ranch near Ontario.

Following a wedding trip to Lake Arrowhead, Los Angeles and Hollywood, the couple will make their home at the Walline ranch in Ontario.

Both the bride and groom are graduates of Chaffey schools, and the bride and her parents formerly made their home in Upland. She is affiliated with the Beta Sigma Phi sorority and served two and a half years in the Women's Naval reserve, part of which was spent in Hawaii. She has recently been empolyed by the San Bernardino Sun.

Mr. Walline attended the University of Hawaii and served as a first lieutenant in the Army air corps. Both he and his bride will enter the University of California school of agriculture at Davis next fall.

Mrs. E. Q. Bowden, Women's Leader Speaks to Group

Mrs. E. Q. Bowden, president of the Los Angeles Presbyterial, was featured speaker at yesterday's meeting of the woman's association of the Presbyterian church.

The women gathered at 11 o'clock at the church for a business meeting presided over by Mrs. S. P. Tipton, president. The prayer calendar was read by Mrs. Anna Stone, which was followed by a talk by the Rev. Rufus W. Oakey, pastor.

A noon luncheon was served by group No. 3. Valentine decorations for the luncheon were under the direction of Mrs. Robert Van Ness.

Mrs. Frank Phillips, program chairman, presented he afternoon program which began with a song by Mrs. Marion Waxwell, "I hear the Voice of Jesus." She was accompanied by Mrs. John Miller.

Following devotions by Mrs. M. H. Moreman, the speaker was introduced by Mrs. Phillips. President of the Los Angeles Presbyterial which includes an area extending to Imperial and San Diego counties. Mrs. Bowden is the leader of 11,000 women in 160 women's societies.

The speaker's talk concerned a national convention held in Grand Rapids, Michigan, last May. About 80 women were present.

Red, White and Blue Meets for Luncheon In Memorial Hall

With 40 members and guests present, the meeting of the Red, White and Blue club was held Tuesday in memorial hall, Ontario.

Special guests were the Rev. W. H. Burton, pastor of the Upland Nazarene church, and several members of the Sons of Union Veterans.

The traveling flag of Federation No. 2 was presented by patriotic instructor, Garner Jester, and the flag will be kept by the group until April 14, at which time it will be passed on to another group. Mrs. Katherine Evans, patriotic instructor of the Daughters of Union Veterans, presented the district flag of their order.

Mrs. Jennie Hardy, program chairman, presented the program which included readings and songs by members of the club. The Rev. Mr. Burton spoke to the group on the subject of liquor.

The program was closed by a prayer from Mrs. Leslie Strawn, president.

BIRTHS

At San Antonio Community hospital:

A girl to Mr. and Mrs. Tony Govea, Chino, Wednesday.

A girl to Mr. and Mrs. Kenneth Goodman, 138 North Sultana, Ontario.

A son to Mr. and Mrs. Jesus Salzameda, 280 Twenty-fourth street, Cucamonga.

A son to Mr. and Mrs. Ernest Johnson, 416 South Campus avenue, Ontario.

A daughter to Mr. and Mrs. Charles Rider, 559 East D street, Ontario, Tuesday.

A girl to Mr. and Mrs. D. I. Wagner, Elsinore, Tuesday morning.

Women's Page

The Upland News

MARGARET L. YANCEY

Woman Judge

BY ADELAIDE KERR
AP Newsfeatures Writer

Dorothy Kenyon, already one of America's busiest women, is all set to tackle another big job. This one has world-wide ramifications.

Miss Kenyon, judge of the New York Municipal Court in 1939, an outstanding cooperative corporation lawyer and an active worker for women's rights, was named by President Truman as United States delegate to the United Nations Commission on the Status of Women of the Economic and Social Council.

The Commission on the Status of women is charged with the promotion of women's political, economic, social and educational rights all over the world. It convenes soon as one of several commissions which will lay the ground for the next session of their parent body, the Economic and Social Council .

Upland Girl Weds In Ceremony at Bluffton, Ohio

Juanita Cline, 875 Washington boulevard, became the bride of R. J. Vick, San Bernardino, in Bluffton, Ohio on January 25. They are now on a wedding trip to Canada.

The ceremony was performed in the First Mennonite church in Bluffton, with the Rev. J. N. Smucker officiating. Only close friends and relatives were in attenlance.

The bride was attended by Miss Dorothy Salzman, Upland. Best man was Dick Alderfer, Bluffton.

The new Mrs. Vick is a graduate of Chaffey High school and is the daughter of Mr. and Mrs. G. W. Cline, 875 Washington boulevard. Mr. Vick attended San Bernardino junior college and at present is employed at Bluffton. The bride will furnish a year of music training at Bluffton college.

A son to Mr. and Mrs. James Livermore, 1681 East Arrow highway, Tuesday.

Women to Welcome Guests at Club Meeting Tuesday

Guests will be welcomed to the luncheon meeting of the Upland Woman's club Tuesday.

Featured on the afternoon program at 2:15 o'clock will be Irma Huffman May, Santa Ana, who will give a review of Noel Coward's play, "Blithe Spirit." Mrs. May will be introduced by Mrs. J. Emery Sargent, program chairman.

The entertainer has appeared before numerous clubs throughout the Southland and is highly spoken of by those who have seen her performances.

Mrs. Marion Maxwell, local club member, will also appear on the program with vocal selections.

Members may bring guests to the meeting without using their guest cards, and it is expected that many members will bring their husbands as guests.

Those members without permanent luncheon reservations are asked to contact members of the reservation committee before Monday noon.

Missionary Group Meets to Quilt

With Mrs. Earl Salzman, president, in charge, the regular business meeting of the Woman's Missionary society of the Mennonite church was held Wednesday.

Meeting in the mission room of the church, the members quilted. Money obtained from the member's work is given over to mission work. Mrs. Fred Yoder led the devotionals.

PATIENTS

Mrs. Bennie Meiner, 1023 Nocta street, Ontario, was admitted on Tuesday for major surgery.

Mrs. C. F. Green, 429 Princeton street, Ontario, entered Tuesday for a major operation.

Ben Riesland, 325 East G street, Ontario, was admitted this morning for medical attention.

Eastern Star Members Have Valentine Party

Members of the Order of the Eastern Star, Upland chapter, will have a Valentine party following their regular session Monday evening.

Worthy matron, Mrs. J. L. Grahame, and worthy patron, E. Tweed Stone, will preside over the regular meeting, beginning at 7:45 p.m. in th Masonic hall. Mrs. Isabelle Wisely will have charge of party arrangements.

Earl Sicosky, 732 South Laurel avenue, Ontario, received treatment for lacerations received when he injured his hand in a car fan.

John C. Harrison, 120 East C street, Ontario, entered Tuesday for major surgery.

Legal Notices

NOTICE OF ANNUAL MEETING
Upland California, January 27, 1947.
The annual meeting of the Stockholders of CITRUS PEST CONTROL ASSOCIATION, of Upland, California, will be held at the Upland Elementary school auditorium, at 601 North Fifth avenue, Upland, California, on Tuesday, February 11, 1947, at 9:00 a.m., for the Annual Election of Directors and for any other business that may come before them.
LYNN S. BIRDSALL,
Secretary. 92-2

LEMON HEIGHTS WATER COMPANY
172 East Ninth Street,
Upland, California

NOTICE OF ASSESSMENT
NOTICE IS HEREBY GIVEN that at a meeting of the Board of Directors held on the 15th day of January, 1947, an assessment of $1.00 per share was levied upon the shares of the corporation payable to the secretary of the corporation at the office of the company, 172 East Ninth Street, Upland, Calif.
Any shares upon which this assessment remains unpaid on the 10th day of March, 1947, will be delinquent, and unless payment be made prior to delinquency the said shares, or as many of them as may be necessary, will be sold at the office of the corporation, 172 East Ninth Street, Upland, California, on the 26th day of March, 1947, at ten o'clock A.M. of such day, to pay the delinquent assessment, together with a penalty of five per cent of the amount of the assessment on such shares, or be forfeited to the corporation.
ELLA M. DRAPER, Secretary
Lemon Heights Water Company 93-1

NO. 131959
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF LOS ANGELES
In the Matter of the Estate of DEWEY CRUTCHER, Also Known as DEWEY H. CRUTCHER, Deceased

NOTICE OF SALE REAL PROPERTY
Good cause being shown therefor, and it being for the best interests of said estate and necessary in order to pay claims, the undersigned, Ben H. Brown, administrator of the estate of Dewey Crutcher, etc., deceased, will sell at private sale, to the highest and best bidder, subject to the confirmation of said Superior Court, on or after Tuesday, the 25th day of February, 1947, at his office, 521 No. Spring St., City of Los Angeles, in the County of Los Angeles, State of California, all the right, title and interest of said deceased at the time of the death, and all the right, title and interest that the estate of said deceased has by operation of law or otherwise acquired other than, or in addition to, that of said deceased at the time of death, in and to all of that certain real property described as follows, to-wit:
Lots 11 and 12, Block 1, Tract No. 1776, City of Upland, County of San Bernardino, State of California, as per plat recorded in Book 28 of Maps, pages 42 and 43. UNIMPROVED.
Subject to all outstanding liens, taxes and encumbrances of record.
The terms and conditions of sale are cash in lawful money of the United States upon the confirmation of sale. Certificate of title at the expense of the purchaser.
Bids or offers must be in writing and will be received at the aforesaid office of the undersigned administrator.
Dated this 4th day of February, 1947.
BEN H. BROWN,
Administrator of the Estate of Said Deceased 93-6

MOUNTAIN VIEW WATER COMPANY
